*I received this today NOV 19, 2012 Monday. I had sent them a letter about that b.s. Institutional Inspector interview where I was asked most of the questions OFF tape. This I.G. investigation was suppose to be concluded by November 13, and yet it hasn't been. The I.G.'s office is garbage. way too much Cronyism going on in there. which is why inmates get killed in here. Cause the I.G.'s office turns a blind eye to the abuse until a death occur's. Pisses me OFF!"*
