Here I am still on hightened security some 15 months later Cause our Former warden B.V. Reddish was a lying no good jack a**." A punk a** criminal thug who lacked any type of honor and integrity."

His just a real low life no good sorry excuse for a human being. And yes - you damn right I'm still mad." I can't stand lying bi**t**s!" And that's exactly what that Former warden was. Him and his no good sorry administration for which he surrounded himself with. The whole Administration was a bunch of lying despicable low life scum, who beat on defenseless human beings and murdered one, you damn right I'm mad!"

some one should have stopped that sorry a** Administration before they murdered this inmate Frank Smith. I think about that every single day. And every day that I remain on this Hightened security over our Former moronic dumb-a** punk b***** a** warden, I'm mad cause it reminds me of his slimy no good ways, the stinking a** lies he and his sorry Admin told falsifying state document's and committing crime's against me as a form of a reprisal. And I hope the b***** is reading this. Cause I want to shove this blog up his unlawful criminal a**. And I personally don't give a damn if you don't like what I got to say.

I mean I sit here on Hightened security, because of the Hightened criminal activity of that scum bucket B.V. Reddish who wasn't qualified to be a warden. His only qualification's was to commit human rights violation's and unlawful acts inside these prison walls. And I got victimized by

this punk, because I tried to stop him and expose him for the low life no good m.f. that he is. No I'm not happy. Not at all!!" And I want be happy, until they remove this low life dishonorable unethical punk from the Florida Dept of Corrections!!" Where no other inmates can be assaulted and or murdered under the care custody and control of this criminal thug portraying himself as a correctional warden.

Down with this low life scum bucket *** tyrant!! Nope - I'm not done. Not until I see this tyrant fall.
