Blog Post: Failure of My Human Rights in the Criminal Justice System.

Attention: Belsen ----- Auschwitz

Greeting:

Specific abuse I witnessed: I was "Targeted and Stalked" by county and state agents. Their motives were in retaliation against me for not assisting them as an informant against the Hells Angels. After my arrest on a first degree "murder warrant," I was never afforded the statutorily required Probable Cause hearing or Arraignment within (48) hours of my arrest. In fact, I wasn't arraigned on this case for (107) days and held without legal counsel. During that time, I was detained under a state detainer and refused access to the courts. "For more abuses see my website: <http://betweenthebars.org/blogs/454/by:FLOYD BARNES>."

I currently reside at Mule Creek State Prison, serving a 36 years-to-Life sentence for a second degree murder et al. San Diego County Superior Court Case No. 199531, Court of Appeal No. D037562 Habeas Corpus No. D044297, Supreme Court of California No. S111-789, United States District Court/Southern District of California, No. 06CV189-BTM(PCL) United States Court of Appeals/Ninth Circuit No. 07-56665.

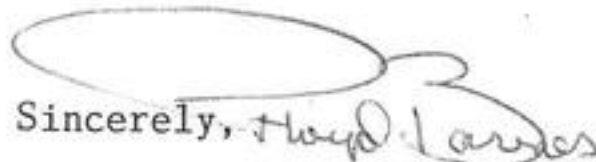

I was convicted due to not having my "due process rights" respected. Essentially, with the ineffective assistance of counsel prior to and during trial, it was clear that I was to be convicted (slam dunked) without any fairness to support my factual innocence. Quite simply, I was "railroaded: and I lack the legal aptitude to address the numerous issues that are in question. I am seeking assistance of an experienced lawyer willing to help me pro bono.

The court appointed attorney(who had a conflict of interest in the first place) made no effort to conduct a meaningful investigation on my behalf, prior to trial, failed to cross examine key witnesses crucial to my defense, failed to submit crucial jury instructions, failed to object to the prosecutors misleading testimonies, ignored exculpatory evidence, and failed to object to search and seizure violations which denied me a probable cause hearing or arraignment until 107 days after my arrest. I am claiming actual innocence of this crime I'm convicted of.

I went to trial in the San Diego County Court system notorious for shoddy prosecuting. I appealed my conviction immediately after receiving a court appointed appellant attorney several months later.

I desperately need your assistance. Please contact me and I can provide you all of the details or again, see my website: <http://betweenthebars.org/blogs/454/byFloydBarnes> (It's Free!!!)
