

To All Those who have responded

First I would like to say, Thank You, to all who have given me honest, healthy feedback. Now I don't consider myself a poet, I just write whatever I'm feeling at the time. Whether it be for my son or daughter or the pollatrics of this government<sup>3</sup>, yes women. All of you You women never stop amazing me<sup>3</sup>; this is why I feel god is a women

She gives us the most powerfull, independent success the world will ever know I'm a 30 year old man. I now fully understand that as confussing as you women are I wouldn't have it any other way. Because what happens after the world figures out something? It's no longer a mystery.<sup>3</sup> In my opinion everywoman that walks this earth is a walking, breathing mystery. BTB you people are godsends<sup>3</sup>; if I could I would grant you 3 wishes. I feel all of you are caring, genuine people. A lot of us would have lost hope a long time ago. Without the wise words of every one of you angels you gave us a voice, a ear, hope regardless of what we did. My life has been made easier because of all of my unseen friends. The only thing I can give you is 4 me to walk with my head a little higher, smile a little bit more<sup>3</sup>; continue to find new ways to love myself unconditionally. <sup>#334188</sup> w/B Brandon Rucker
