

DAY of Wrath

12-29-30

do dont know what what your name is. do took some time to think about your question ³ yes do did know her. do was awhile ago do was 16 years old, Amanda was 17. do in 30 now. do dont think about manni as much now. She killed herself in prison.

* her family didnt have enough money for her meds. she needed. Most of the time she was fine then out of nowhere she would get lost inside of herself ³ do crazy ³ odd things.

On the stand she said it was Athony's time because an angel told her so. They still sent her to prison instead of a treatment place. do in still upset at the state of Florida.

2 * left with there so called blind Justice.
