HELLO Friend,

My name is LON LANE, and I am A 48 year old single man. I'm from the big state of Texas. I have been incarcerated for 11½ plus years on A crime I did not do. Since I been incarcerated, i've lost my mother, both grandmother's, and my grandfather, as well too. A very sad situation to be in to lose family like that.

I have A long list of interest's, and hobbies, which are, real estate, business planning, reading & writing, making jewelry and helping other's. I'm also A animal lover, music is something i love too, cooking, horseback riding, beaches, jogging & training long walk's. Please know that it's so, so, much more to me.

I can tell you this, even though the metamorphosis i have been through in my life it has really change me, it has made me really take A personal inventory of my life, and put it in the right perspective that it need's to be in.

Now with this said, I really look for A great friend to come into my life, that would make my day for sure. I value friendship, and even love. I don't take it for granted! Through this journey, I've ask God to put someone in my life, I don't have no family, and I am very selective who choose to be my friend.

As I get ready to close this profile (BLOG) I want you to know that you are wellcome to write me at the address on this page, I really look forward to hearing from you, that would put A big smile on my face, for sure. I will write you back right away! I promise you that you will very please to get to know me. I do consider myself to be A very intelligent man, but I love to have fun too. I want to thank-you for your time reading this profile (BLOG), and thank's for wanting to be apart of my life as well.

Have A bless (HOLIDAY-SEASON) and many, many, more to come.

Sincerely,

*Lon Lane*
