"Pelican Bay Report"

Pg 1

Enclosed is 5 crime scene photos and yes it did hurt a bit but mostly it hurt my pride. Looking at the photos wow I almost got it in my eye. As I briefly explained in my previous post when it happened I thought it was just a fist fight till I saw the piece go flying. Believe it or not at the time I was getting myself up off the shower floor what hurt most was my foot. I was wearing shower shoes and that dumb busier had on boots. He was stepping on my feet and as you can see one of them was bleeding and it hurt like hell. Do you want to know what hurts worst then that day when I got whacked? What hurts worst is my family is seeing these photos of me for the first time. Not many people have actually seen these. I'm not in any fashion ashamed of being a victim per say it's just that I don't want my people crying when they see the photos. Me being locked up 4 life makes them cry enough and now I post these photos. So I want to apologize to my sister n law Robin Tinsley please don't cry ok it wasn't as bad as it looks. I just feel that citizens should know what really happens in prison. The real truth about these guards how they treat us in here. How they set us up to attack each other and how they get away with these criminal acts. You tell me who is the criminal? But it's ok that they do it after all they

CAN GET AWAY WITH IT LEGALLY. I'M A CONVICTED PRISONER  
 THEY ARE PRISON GUARDS SO WHO'S GONNA BELIEVE ME? WELL  
 ANYONE WHO HAS READ THE PELICAN BAY REPORTS THE PHOTO'S  
 ETC NOW KNOWS THAT THESE GUARDS WERE AT FAULT PERIOD.  
 IF SOMEONE WAS TO HAVE DONE WHAT THAT TOWER GUARD  
 DONE TO ME ON THE STREETS IN CALIFORNIA HE WOULD GET PRISON  
 TIME AND A STRIKE. WE ALL KNOW THAT 3 STRIKES GETS YOU 25  
 YEARS TO LIFE AMAGINE THAT. THIS GUARD WHO DONE THIS TO ME  
 GOT AWAY WITH IT HE IS PROBABLY DOING IT AGAIN AND  
 LAUGHING ABOUT IT. DOES HE DESERVE TO BE FIRED? OR WORST  
 SENT TO PRISON? DOES HE DESERVE A STRIKE ON HIS RECORD?  
 WELL THE PRISON PART NO AND NO TO THE STRIKE I DON'T  
 BELIEVE IN THE 3 STRIKE LAW ITS BULLSHIT PERIOD. PRISON  
 DOESN'T WORK PERIOD. ASK ANYONE WHO HAS EVER LIVED IT.  
 YEA HE NEEDS TO BE FIRED BUT THAT WONT HAPPEN EITHER  
 REMEMBER HE IS STAFF A GUARD HE WOULD NEVER BRAKE THE  
 LAW. HE IS A GOOD LITTLE CITIZEN YEA RIGHT. CROOKED BASTARD.  
 I'M GOING TO CLOSE FOR NOW SO I CAN GET THESE PHOTO'S  
 POSTED MANY PEOPLE ARE WAITING TO SEE THEM AND READ  
 MORE OF THE PELICAN BAY REPORT. TELL MY NEXT CHAPTER
