

Hello,

I am currently incarcerated here in the Texas Department of Criminal Justice. I have witness the abuse, inhumane treatment of a "Deaf" female prisoner who is housed in Administrative Segregation. My witnessing the Cruel and Unusual Punishment of offender Betty Tate #1678183 is so unnerveing and heartwrenching I pray you all get this letter and Post it. The lady Ms. Tate is a Deaf Mute offender and the TDCJ officials here on Lane Murray Unit do NOT/can NOT communicate with her. She is lost, starved, she's maybe 6'6 tall was a very nice lady now for some unknown reason she is housed in Ad-Seg away from the inmate population and proper help and care.

She is being neglected, they show's deliberate indifference and is harsh. I can't even begin to put into words the mistreatment, the Cruel & Unusual Punishment this inmate is experiencing. You all out there would have to see it to believe it. Please Come, Please Please Help Her!

Sincerely

Crystal Roberson #1287432
