

"Christmas Time 2012"

Greetings People! Hear me out! I'm going to speak to you from my heart so please "Don't Judge Me". Just listen.

This is a very emotional time for me. I've been incarcerated for nine years, now. I've lost a total of "four" family members that meant everything to me my mother, father, grandmother, and uncle.

They were my financial and correspondence support out in society. Now that they're dead and gone. I'm in this hell-hole all alone and I try not to think about it but I do! Because it hurts me. I'm only human. But I was told Christmas time is about giving. And with all that being said, I fall into this category. So if anyone that "READS" my "Blog Post" and can find it in their hearts to give to the needy this year 2012 which is me. Here's my information

One thing I know it's the thought that counts in this world. I've been rich, I've been poor, I've been everything" and now I need you. Is that possible my Dear sweet people here in America?

Well I want each and everyone of you to have a safe and wonderful Christmas and New Year Holiday.
