

# I Wish You Enough

12.7.12

I wish you enough sun to keep your attitude bright.  
I wish you enough rain to appreciate the sun more.  
I wish you enough happiness to keep your spirit alive.  
I wish you enough pain so that the smallest joys in life appear much bigger.  
I wish you enough gain to satisfy your wanting.  
I wish you enough loss to appreciate all that you possess.  
I wish you enough hellos to get you through the final goodbye.  
I wish you enough failure that you can know the joy of success.  
I wish you enough people who leave you so you can know the joy of the ones who become your lifelong friends and the one who becomes your lifelong partner.  
I wish you enough struggles that you rejoice in the lives you have touched.  
I wish you enough blessings that you appreciate your past struggles.  
They say it takes a minute to find a special person. An hour to appreciate them. A day to love them. And an entire life to forget them.  
I still haven't gotten to the forget stage but I still wish you enough to find new love. Dedicated to my 1<sup>st</sup> love. You know who you are!
