GREETINGS!!

This is my christmas message for the year 2012

Thank you for the opportunity that you people have given me to participate in a free blogging system for prisoners.

I also want to thank those individuals who have written opinions and E-Mails to me at the blog; I really appreciate your comments, if you want to write me directly at the prison I can answer your letters or concerns. Please keep in mind that I want to use my blog for my freedom of speech and recording a time frame of my incarceration.

Please note that this month of December is very difficult for me, but I get inspired by knowing other human beings like yourselves.

Praising the Lord with you and your love ones in this christmas and wishing you a New Year of His Blessing. "FELIZ NAVIDAD Y UN PROSPERO AÑO NUEVO 2012-2013.

DECEMBER 15, 2012

Again THANK YOU for the opportunity, with respect, your friend
in the struggle.
