Dear HARMONYHEYYYY

Good morning! I hope all is well and that my reply reaches you. Last night I received your comment. Thank you very much. I always reply to comments. Sometimes I don't know if they even reach between the bars and get posted. I do hope this reaches you. I'll always write back.

My drawing looks pretty good up there, although it looks as if the right side got cut off a bit.

This is a sad day today, the state of Florida is going to be executing many parole here in 8 hours.

These executions weigh heavily on my heart. Something needs to be done to turn this inhumane barbaric act around. I feel more for manny's family than anything, cause after he's gone, at approx 6:17pm when they pronounce him dead, his family is going to be left heart broken. That's all I've been writing about in my journal since yesterday.

Anytime you feel like leaving a comment or writing me directly, please feel free to do so. I enjoy the mail even when it's just the comments from between the bars.

Please take care of yourself. Have a very merry Christmas and a happy New year.

In Peace & Love
