Hi Bogdan

Thank you for your help with the post. And thank every one there at Between the Bars for me.

eyes - this is a pretty rough existence, and be thankful for everything your freedom is something we often take for granted, once its lost we realize how valuable it really was. Walk outside right now and breath some fresh air and look into the sky. I haven't been out of this cage since August 17. and I'm not sure when I will get to go out again.

This is a sad day, we're 5 1/2 hours away from manny's execution. I know he done some really messed up things. He was a police officer and was killing drug dealers. But we have guys all through the prison system serving life sentences for crimes far worse than what manny did. which shows the death penalty is not fairly applied. And this is no doubt tearing manny's family up. It's a sad situation - and that's all I've been writing about in my journal for the past two days. I hope to open some eyes.

Thank you Bogdan for your kind words feel free to drop me a line any time. you have a merry christmas and a happy new year.

In Peace & Love
