AIR BRUSHING LOGISTICS
A Material Design * Logo Industry

AIR BRUSHING LOGISTICS * ASSOCIATES is referred to as ABL * ASSOCIATES.

ABL * ASSOCIATES is a material design and logo industry that uses air brushing to create designs and logos. ABL * ASSOCIATES does declare that its designs and logos will be of origin and originality.

AIR BRUSHING LOGISTICS * ASSOCIATES will contract with various communities, organizations, companies, associations, campaigns, and people to design and print designs and logos on material related to a cause, action, concert, event, date, or incident.

ABL * ASSOCIATES will design its own T-Shirts, Shirts, Pants, and Socks in fashion related to no other. Oddly defined and designed are ABL * ASSOCIATES aim to marketing. In our retail stores, warehouses, and manufacturing plants there will be demos displaying the styles of design that ABL * ASSOCIATES deems their logistics to: These displays will include portraits, cars, names, instruments, plants, flowers, hair styles, buildings, chairs and more. In certain instances these logos and designs when printed will tell a story, meaning, an outfit will match from the hat down to the pants that will state a complete message in words or in symbols.

ABL * ASSOCIATES is needed in our society based on the fact that, it will bring a sense of awareness with its designs as to how it will tell a story along with a sense of style. People could now engage in activism, movements, campaigns or otherwise with accommodating body attire.

ABL * ASSOCIATES will allow people to send their message world wide, not only in voice, internet, texting, and web site, this could now be done with body ware for both cold and warm environments. ABL * ASSOCIATES will use its designs and logos to sponsor athletic competitions, games, players both professional and amateur. They will sponsor little leagues and pop warner. Including high school, college, universities, teachers, nurses, professors, dr.'s, the homeless, HIV/AIDS, the incarcerated, gays, lesbians, and the uneducated.
