I believe people all across this globe would eagerly express  
their happiness at certain eras if presented with the right opport-  
unity. As of now, as a Nation Globe, and an out-of-touch society  
the things we expose about others who are not akin to ourselves or  
who just so happen to be in another country, the exposure is major-  
ity of the time negative and full of diseases.

IHTT, Inc. is gearing up to extend the opportunity so others in  
outer locations could follow their modeling , singing, beauty, and  
other entertaining careers.

Poverty, Diseases, and Bombed environments do sit well with  
the viewers all the time. Therefore, we know that there are ratings  
and connections for others to move into the media entertainment  
World.

Having said this, for those of you whose interest is to seek  
the globe for entertaining exposure, my suggestion to you is to  
invest in ; I HEARD THAT TELECOMMUNICATIONS, INC. and see why I say  
we deserve it.

I look forward to IHTT, Inc.

Rush It, & You Wont Owe It.

Cordially & Culturally,

It is about time to bring you the cleanest, most transcended, and perennial Rump Shakin, jaw droppin, Entertainment Group you could ever imagine.

What makes us the best ?

First, we have Give It To Me, Inc. a strip tease showcase. This is where you can come to one of our clubs and watch our ladies shake their groove thang or you can order yourself a Private Dancer. Yes, we make house calls.

Then Topless "N" Tidy. After you've had big party or you simply do not have time to clean your home or office, let our service do it for you. You can have a large chested woman or a muscular man do the job. The job will get done.

Alright, Million Dollar Models. The next time you set up for your next video come get a taste of the booty we can offer. Join the new Wave of Flow & Flav.

And last but not least, Cheeks Bar & Grill Lounge. I do not wish to discuss this because nobody has one. Just remember the name; CBGL.

Ladies & Gentlemen, we have the largest entertainment service for you and your dollars today. The names of our entities should be enough to bring you out and over to support us. Don't go reaching for the phone as of yet because we haven't gotten a location for any of these entities except one. The only one who has a location is MDM.

Remember, you can use any one of these ladies for your Rump Shakin video. As a matter of fact, we encourage you to come out and support us.

I mean there is actually no way for me to describe these entities to you except by continuing to inform you of their titles. Yes, you can have a beautiful girl or guy dance for you in your living room, privately. Then call one of our sexy attractive girls or guys to clean it up for you. Then you can put together your own little video for your most fantasized endeavor of being with some of the world's most beautifulest ladies. Or you can come out and allow someone to serve your food and drinks in a very romantic atmosphere. We are looking for Managers, employees, Directors, Talent Scouts, Photographers, Locations, and Equipment.

You can roll or call, or, you can roll call.

RESPECTFULLY, Management

*Bernard L. Smith*
