Dear Jollyfuton:

Erm... No. My penis is named "SECRET" as it is strong enough for a man but it is made for a woman.

Just out of curiosity, why is your futon so 'Jolly'? Are you from Coloridiot or Washinglame? Good beer bang hits? Perhaps you are one of those rich-beyond-belief Nerds who uses Ladies-of-the-night? If that - you are indeed a lucky bastard and may your futon bring you great joy in the new year and ever more...

Erm... but yeah - wash it from time to time - better a Jollyfuton than a Smeelyfuton!! D'oh!

Happy Thoughts -

Andy
