

You Stupid Moron...-A SPECIAL message 12-1-12

You are SO STUPID that you actually committed an act of SHEER GENIUS. And for that, I THANK YOU SO VERY MUCH!!

I didn't want to be anywhere near you or your trailer-trash-troll family. Thank you for ~~not~~ telling the Parole Analyst that you didn't want me in Alameda County.

I know you thought you were having another chance to be the evil dirtbag that you are, but had you been a real friend, you would have known that LONG AGO I had other plans in another state.

Until you did your wonderful (not evil) deed, I was going to be forced to return to Livermore... Now my application for out-of-state is being processed.

You are evil, you are a whore, you are a disgusting piece of excrement. But you are also a genius. So thank you. I appreciate the help.

Yes, I'm serious, read my other blogs.

HAPPY THOUGHTS !!

Andy
