In Re: Observations...

Hi Elizabeth-Anne!

We shall see in a couple of days if the notbars
or I am right (I am - I just know it...)

Yes I hope you enjoy Xmas. Glad its cold in
Britain - It means Al Gore and his gang of socialist
enviro-thugs are WRONG and still MORONS...

I didn't know anyone even USED the word - DUVET'
anymore! Good For you! I'm lazy - and American
so I get to say - QUILT' or IF I am feeling verbose
I might use - COMFORTER'... I shall try to use - DUVET'
in bedtime/lazy sunday/cold weather conversation more
often though. Good classic word. I Like!

Oh - as I am a lazy American - can I call you
-Liz' or 'Beth'? 'Lizardbreath'? 

By the way - LOVE 'Downton Abbey' Awesome Series!!
the 'SPOOKS' (MI-5 in U.S.) remains my FAVORITE since
Dr Who & Last of the Summer Wine were on...

Silver Balls, Silver Balls, Its Christmas
Time in my Duvet... Ring-a-ling -
Below my ding-a-ling... Soon it
will be wanking time! HA HA HA!
JUST KIDDING - ANDY
