IN RE: OUT OF GOOD PAPER

Dear Caitlin 13;

First, let me say that your name is one of my FAVORITE names for a girl... (Hope you are one!)

Second, let me say that if you notice, we are back on MEAD-Brand College-Ruled Paper. Thank God!

Third--- Funny?!? FUNNY? What?!? WE MUST HAVE a bar-a level- of professionalism! We simply CANNOT be writing sloppily and willy-nilly on cheap paper with dime-store ink!! What kind of message does that send?!? FUNNY?!? you think I'm kidding?!?

Fourth- YES I'M JOKING. I do hope you realize that my sense of humor is REALLY dry and dark dark dark! You did not -misinterpret'. :)

Fifth - I simply enjoy college-ruled paper & always have! Since I was a very young child, I love to write and I print kind of small, so you can FIT WAY MORE words on a piece of College-Ruled. That's the truth - plus - I'm an old guy stuck in my ways - College-Ruled- RULES! Now go SUPPORT the MEAD Corp! Buy good paper!!

Happy Thoughts -

Andy
