Hi again. Well isn't this fun? I actually enjoy replying to comment, and even if they don't agree with me.

on Religion, even Christianity is a dangerous religion, with following Jesus teachings, look at Matthew 10:34-36. ³⁴ Do not suppose that I have come to bring peace to earth. I did not come to bring peace, but a sword. ³⁵ For I have come to turn a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law. ³⁶ A man's enemies will be the members of his own household.

so if you believe these verses, Jesus came to bring chaos into the world and the families. There's other verses that I could take you to, I just really don't think this is something I should be doing. As you know I lack faith, a faith that I don't believe can ever be restored.

on abortions, I'm conflicted myself. I don't like them. I think teens should have a device placed in at puberty, to stop them from producing children until your 25 year's old. It'll never happen, but it would stop a lot of abortions that are the result of teenage lust, which is natural. And some people should never have children. Again it's just my view on it. Take care my friend.
