I didn't know if you would write back when I wrote to you, I can't find your address but since you gave your e-mail I hope you will write me here? I'm replying to you but I'd love to write more in letters, you can send me photo's too, I'm doing good, but my situation also changed! I got here in Aug and of all who I once wrote I hear from Linda and David... I call them too? I'll explain it all to you the best way I am able? my health is OK.... I am happy to hear from you.... And like to hear more.... take care.... Hope you had a nice XMAS & the New Year gives you what you want....
