Nicki, when I didn't hear from you I thought I had offended you in my letter. Know I'm grateful for your pile of important things to do. (smile) Nicki, your so sweet! No words can ever express how much it meant to read you say I would be in your thoughts for Christmas. For that reason alone I found A reason to smile under the circumstances. I do hope that you & yours had A blessed Christmas.

Nicki, it truly does my heart good to know that you love reading my words. Know the feeling is mutual on my side of the map. Honestly you've become A pleasant distraction from my every day struggles through the beauty you've shown me in your replies, and I deeply appreciate that. I must admit I've often contemplated who is the mysterious lady behind the computer. I don't intend to be All inquisitive, but you intrigue me and I want to learn more about you. It also would be nice to put A face to your name & writing, But I won't push if time is what you need the most. Thou I've gathered your nature with some life experiences. you seem very caring and well spoken, and not afraid to speak your mind. which is A quality I admire in A woman.

Nicki, I speak from the heart because All I have to offer is honesty, my soul and most importantly my time. Well As I close I hope 2013 is truly blessed for you.

Til next time Stay Sweet

Anthony
