

THE MYSTERY (WHO IS GOD?)
RAKIM (DA GOD M.C.)

HOOK: If u can c if u can solve the mystery/the answer revolves
around ur history/so carefully/I drop this degree/scientifically/
and realistically/who is god?

1st VERSE: In eternal blackness/in the mist of the darkest night/
protines and minerals/exist within specters of light/
solids, liquids and gases/insparks the life/
with infinite lengths and widths and depths and heights/
no beginning or ending/with 7 demintions/
enough space for more than a million worlds and inventions/
to travel through time/with enough room/to be the womb/
of the most high's great mind/which he would soon make shine/
with intelligent elements/in sight that he would gather/
in the realm of relativity/electricity struck matter/
energies explode and he reload/and keep releasing/
atoms by the millions/until the numbers increasing/
til it was burning/he kept returning himself to the source/
the hotter his thoughts/it gave his center more force/
he gave birth to the sun/which would follow his laws/
all caused/by his mental intercourse/ WHO IS GOD?/ HOOK /

2nd VERSE: he began to explain his craft/the master in the attic/
he dealt with measurements/his language was mathematics/
his theoretical wisdom/of the numerical system/
to complete number 9/which means born or existing/
he gave birth/to all planets/inorganic/and organic/
so you wouldn't take it for granted/
they rotate at they own distance/around the sun/
and fully submit/to the existence of one/
and eachone was promised/everlasting perfection/
if eachone keeps spinnin'/in the same direction/
to the EAST/and each speak the motion of peace/
and harmony/and each show devotion and teach/
the universe is to come/the whole world must go according/
or our galaxy's a mirage/and stars start fallin'/
so stay in your orbit/maintain safe and sound/
like the planets your cipher/remains perfectly round/HOOK/

3rd VERSE: From unconsciousness/to consciousness/
a knowledge in his wisdom/his response is this/
an understanding/which is the best part/
he picked the 3rd planet/where he formed life would start/
he pursued/show & prove/every move in order/
back to the source/he let off his resources/in the water/
climb his climax/where the climate/is at high degrees/
he start to breathe^{DEEP} in the darkest seas/
and the plan/is to lay in the clay/to form land/
and expand/using the same clay/to born man/
in his own image/our origin begins in the EAST/
cultured and free/wit the powers of peace/
deal in equality/natures policy is to be GOD/
build and destroy/positively/born life like ALLAH/
and eachone was giving/everlasting perfection/
if eachone keeps living/in the same direction/
and life was life/and love was love/
we went according to the laws/of the worlds above/

and showed us physically/we can reach infinity/
but mentally/threw the century/we lost our identity/
life stated ending/we got trife/and started sinning/
lost touch with the begining/n~~ow~~ our ~~c~~ipher stop spinning/
and what was once easy/became confused and hard/
which brings us back/to the mystic question/who is god?/
66 trillion years/since his face was shown/
when the 7th angel appears/the mystery will be known/
check revlations and Genesis, St. Luke and John/
it even tells us we are gods/in the Holy Quran/
wisdom strength and beauty/one of the meanings of GOD/
G.O.D, you and me/going Gomar Oz Dubar/
knowledge wisdom understanding/sun moon and star/
man woman and child/and so was ALLAH!

WHO IS GOD!
