Kyleproehl,

Thanks for the holiday cheer. It's good to know that someone cares. I've been making the best of the holidays, and am definitely looking forward to 2013. I've made a list of goals, and been meditating on a few "Stop The Violence" art projects. We should not have to wait for another "Sandy Hook" tragedy before we're moved to do something about it. I felt so helpless as I watched the reports on the news.

By the way, Terrance Williams is still with us fighting hard to get a new sentence. He's on another block so I don't get to see him. I'm sure he appreciates all of the support during his crisis.

Thank you for caring,
