WE NEED A "WEB MANAGER" FOR REVEALING THE TRUE
"BOSTON STRANGLER STORY"

George Nassar has been accused of being the real Boston Strangler in many books, articles, and TV shows. He now wants to reveal the real and shocking truths behind the Strangler case through an interactive website. I am working with him to establish this website and we need to secure a "Web Manager" as soon as possible

If you are intersted in being our we b manager please contact me

Timothy J. Muise, #W66927 MCI Shirley P.O. Box 1218 Shirley, MA 01464-1218

The Boston Strangler case has never been closed. In fact no one has even ever been charged with the crimes! This will change once we get the real story out there. The Strangler case has a world wide audience. Please help us bring them the story.
