

A Response to the 3 comments to my 1st Blog

Thank you "Voice 12" for your comments and reading that you thought my words were Profound has given me courage to write on.

Thank you "almuccia" for your questions. The picture is of my beautiful wife alicia and my Precious daughters Noel 13 and Harmony 11. I will be writing about how it is for me to be a father in prison. You also asked me what kind of music I listen to that distracts me. The following bands help me survive this place. A.F.I, Blue October, Kings of Leon, Guns n Roses, Sublime, Slipknot, Pearl Jam and most Alternative grunge bands of the 1990's. mostly it depends if I'm feeling Sad, angry or just plain melancholy.

Thank you "SAH" I will keep my motives pure and my intent honest.

Thank you so very much for your eyes and the time you took to read my Blog. I will do my best NOT to bore you.
