What does it mean to be free?  
Perhaps, miles and miles of open sea and  
I'll swim deep into thee, courageous and  
there's nothing I will not, I can not be.

Yes, miles and miles of open sea and  
it's here, I reach for thee only to find  
myself sinking deeper and deeper inside  
of me. So really, what does it mean to  
be free?

The One Less Broken, 2012

criminal, is nobler than that long Prayer  
which you repeat emptily everyday in the  
lords house ...
