

Merry X-Mas

Never Go alone
Just the fallen rain and I;
It's only through the crack in
the confining walls am I able
to spread my wings and fly;
Internally waterlogged
and I can't even cry;
Though it's X-mas,
all I can do is try;
So there, on the tail end of a
subtle chuckle, I mutter;
Merry X-mas
to the fallen rain and I...

wonders of the human heart?
