Dear Hiding in the Darkness

Why you got to be so nasty and hateful? That's not very nice. May you some day find happiness.

Well it's Fab as what I talk about, my blog, means I write about what's on my mind, and I write about what I want to write about.

Now as for the Lewd/Lascivious charge. Look at the date. I was 16 years old. I'd go into it, but I don't want to, cause it effects others who are living out there, and they probably don't want it on the internet, so it's a topic not open for discussion.

The other murder, it bothers me, The victims name was Charles Carter. He was a 36 year old white male. My co-defendant got 5 years for that murder. you can read about it on line. and that's the story your going to accept cause you already have your opinion of me, you have alot of hatred towards me. wishing me to Rot in Hell, so obviously you have some religious convictions, yet you are so quick to judge, to hate, to condemn. Judge not and ye will not be judged, condemn not, and ye will not be condemn. For ye without sin cast the first stone. Keep that in mind when you judge me and others so harshly. And I'm not being hypocritical, cause I have no Faith, and if there is a God then I can stand before this God with 100% honesty. I don't want into heaven, I don't deserve heaven, I'd rather no longer exist. That's how I feel.

Well you take care of yourself and I still wish you the best, because I know your just a fallible human. Please take care.

In Peace Love & Humanity

Connie
