

Song Lyrics

I love to sing and rap. I mostly write my own material but from time to time I enjoy singing other artists materials. My prison is in such a rural area that I dont get any good radio stations so I dont know most if not anything current and I dont know all the words to most tunes that I do like (HA HA). If your reading this and have a second or two to print and send me some lyrics I'd love any of the following:

Any 1990's R&B:

Jodeci, R-Kelly, Mary J Blidge, H-Town, 112, Groove Theory, Total, Immature, Tyrese, Usher, Jagged Edge, T.L.C, etc.

Any 1990's Rap:

Tu-Pac, Biggie, Wu-Tang, Mase, Nas, Ice Cube, C-Bo, Scarface, E-40, Dr. Dre, Snoop Dogg, Twister, Do Or Die etc.

I'd also love to see the lyrics to any songs or raps you enjoy as well. Im so out dated with music from the new millennium but I absolutely love music from the 90's. Thanks in advance and take care.
