Received your message "zap" - posted the day after X-mas? What kind of moniker is "zap" anyway? Is it some superhero-type thing?? Just kidding Rick. Use any moniker you like... I'm pleased as can be that you've contacted me. It's still a mystery just how you happened to find me. Did you google my name, or something? Just wonderin'.

Wow! Denna is 22? And you've got a Rick Jr. who's 15? It's really been 22 years since we last seen each other? You've had a good life, I trust. I'm sad to see you say that you and Tina have been separated 5 yrs. Jr. was about 10 then? And D was already 18? Have you two remained under the same roof "cordially" for the kidz sake, I hope. Their healthy development really relies on a stable-loving home, I've learned. What is Denna doing with her young life? And how about Jr.'s plans? What about Tina? What does she do now?

And what's up with yer Mom in Michigan? My parents were born and raised in Battle Creek - home of Tony the Tiger at Kellogg's. Tell Mom I said "Hi", and maybe let her know that after I chose Debbie, she gave me four of my own progeny... and the best years of my life.

Hey, you know that I have a couple hundred pages on this blog-site which you can navigate your way through. I've posted a few old photo's on this ~~site~~ site, over time - as well as letters to and from a couple of my kidz you might read. Tell me if you have difficulty finding your way around into the archives.

Your message to me cut off at "I hope you had a nice X-mas...", so I need to contact the blog-master and ask em to mail me the remainder of what you wrote. Or you can text me the remainder yourself. I'm looking forward to seeing what you have to say next.

Be blessed
