Re: *People v. Bernard Smith, NA037383-01*

Dear Mr. Smith:

The Los Angeles County Public Defender filed a Petition for Recall of Sentence on your behalf on 11/7/2012.

Just this week, Judge William Ryan decided that he will be requiring the District Attorney to respond to each petition within 45 days. The District Attorney has a few choices: she can decide not to oppose your petition; she can decide to challenge your petition, or she can ask for more time. The District Attorney has indicated that she will make no decision until reviewing your prison disciplinary records. The District Attorney believes it will take 30 days to get your records. **Therefore, the District Attorney has not yet responded to your petition.**

With this in mind, I intend to subpoena some of your records on a shorter time frame in order to press for faster results. The records I am seeking include documents related to CDC-115, CDC-128-A, CDC 128-E (Education), CDC128-B (Laudatory, Support Group, Self Help, Volunteers Work, and Training Certificates), and CDC 101 (Work Reports). If the District Attorney challenges your petition, we intend to conduct a full mitigation. For that purpose, we will also need additional records spanning your life. I am enclosing three different releases for you to sign and date. Please sign and date the areas identified with yellow boxes. You do not need to fill out any other parts of the form. Any records we receive will remain as work-product unless and until we decide that their use would be of benefit to your case.

I am also including a waiver of appearance form. No decisions have been made about whether you should or should not be present. If the District Attorney challenges your petition, you will be brought back to court. However, if the District Attorney decides not to challenge your petition, it may be to your benefit to have the waiver available. Until we see how the CDCR is handling direct releases, we won't know which location will result in a faster release. Once again, please sign and date the waiver form in the yellow boxes. If you should choose not to sign the waiver, you will be brought to court whether or not the District Attorney challenges your petition.

Dear INVESTORS, INVESTMENT BANKERS, & BROKERAGE SERVICES,

NDUGU ENTERPRISES, INC. is a Small Business Capitol Formation-STOCK CORPORATION. Our TRADEMARK is 300 ENTITIES.

Meaning, we have created 300 Businesses that are in their original context and establishments.

What we do is, we invest in businesses and produce business by way of contract and through sales of stock. We allow these entities to access Capitol and more potential investors. All of our companies will become widely known being that we are positioned on a Global Marketing Basis.

These entities will be able to obtain financing more easily in the future and their investor's interest in their company can grow enough to sustain a secondary trading market in their securities, while still holding a contract with NDUGU ENTERPRISES, INC.

We have also established a Capitol Account so investors can purchase stocks from a NONPROFIT point of view. However, these investors can not sit on the Board Of Directors. This was created aiming for the generosity of Philanthropies. Instead of giving one person \$ 100,000, you can provide three to four people jobs with the same \$ 100,000, by purchasing our stocks and/or bonds.

NDUGU ENTERPRISES, INC. has its own Telemarketing Firm-ONE BLACK DESTINY.COM, that is positioned on a GMB to sell, trade, and divert shares of stock in other countries. We will build Telemarketing Offices around the World to distribute stock and to build business to produce products.

Readily we are seeking Commercial Property for our HEADQUARTERS. And, we can accomplish this by you accepting shares of stock as collateral for an INVESTMENT LOAN, or accept a CONVERTIBLE CORPORATE BOND.

The image of this Enterprise is to rear Entrepreneurs, create jobs, build businesses, generate revenue, and to enhance the American and Global economies ;

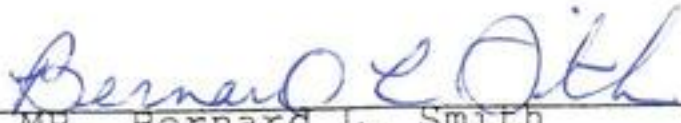

While providing our INVESTORS a good return on their money...

I want to thank you for investing in NDUGU ENTERPRISES, INC.

Dear

In times like these when financial transactions made to the private sector are stagnated by lackadaisical creativity and profit, I assure that I do remain mindful of this as I present to you my need for financial assistance of ;

\$ 5,950,000

To secure your future earnings on these funds, NDUGU ENTERPRISES, INC., would like to introduce to you our, Investment Strategy, which builds 300 Businesses and creates over four million jobs.

NDUGU ENTERPRISES, INC. will also use 350,000 Shares Of Common Stock as collateral @ \$ 17.00 per Share for a total of \$ 5,950,000. (See Articles Of Incorporation)

Having the knowledge to know that in the world of investing, planning, and growth it is both risky and bold, is what makes my first bang-bang get up a dandy.

NDUGU ENTERPRISES, INC. will purchase \$ 1.4 MILLION DOLLARS of its stock. It will also purchase stocks/CD's from thirty banks, investment firms and equity firms to put Capital in banks, stir investments, and begin transactions to consumers and between banks.

Secondly, this financial apparatus lays the path for NDUGU ENTERPRISES, INC. to begin immediate construction in office space, homes, stores, telemarketing firms, and employment. And third, this investment strategy brings to the business from the consumers a \$ 220 BILLION DOLLAR purchasing power. Where people will have secured jobs and wont be afraid to spend money. There will even be a credit union for the minimum wage earner, so they can own a home, credit lines, and be able to secure a future with loans that are affordable to their income.

How ? This is how NDUGU ENTERPRISES, INC. sees it ;

First, under 26 USCA 163 INTEREST

There shall be allowed as deduction all interest paid or accrued within the taxable year on indebtedness. Meaning, you will be able to claim ALL allocated cost, interest and can continue to be an ally.

MR. Bernard L. Smith  
CHIEF INVESTMENT OFFICER

Bernard L Smith @ MAIL.COM

Secondly, under 26 USCA 170 CHARITABLE ACCRUED BASIS

NDUGU ENTERPRISES, INC. will place contributions into an account that would allow this bank, creditor, or otherwise to earn interest on its BAD DEBT. It will also allow you to buy up BAD DEBTS from other banks, while NDUGU ENTERPRISES, INC. continues to build businesses by contract.

Third, under 26 USCA 149 BONDS

Bonds must be registered to be tax exempt. PPP, INC. will issue Mortgage Bonds, Educational Bonds, Consumer Debt Credit Bonds, Corporate Bonds, and NONPROFIT Bonds. PRIME PEOPLE PARTY, INC. will be able to hold various types of bonds for corporations, banks, and the Federal Government, to spur investments for consumers and taxpayers who earn \$ 250,000 or less annually. Being that PPP, INC. can write-off interest paid to bond holders.

Fourth, under 141 USCA PRIVATE ACTIVITY BONDS

For purposes of this title the term " PRIVATE " means any bond that is part of an issue. PPP, INC. is looking to write down between \$ 550 BILLION DOLLARS to ONE TRILLION DOLLARS of bank, creditors, and government foreign debt, which would strengthen the dollar.

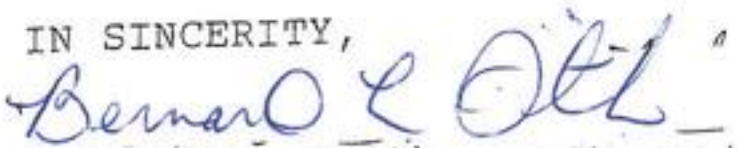

NDUGU ENTERPRISES, INC. substantial obligations are to build businesses and create jobs, while providing our investors a good return on their money. As it is perceived by our Income Statement. Our TRADEMARK is 300 Entities. It carries its own Single Payer health, dental, home, and automobile insurance for our employees, entity owners, low-income individuals, and retirees. NDUGU ENTERPRISES, INC. has its own credit union for the minimum wage earner to own homes, and it is positioned on a Global Marketing Basis. ( GMB ) That has yet to be explored.

If you seek that opportunity, then you can formulate ALL documents, applications, accounts, readings, speculations, data, research, interest statements, tax refunds, and other needed papers in the name of ;

- NDUGU ENTERPRISES, INC.
- PRIME PEOPLE PARTY, INC.

I appreciate this opportunity in our newly respected and energetic investment strategy that will surpass any and all that are seemingly in the realm.
