Am I?

By Delan E. Jones © 2013

- Am I ready to be on my own, and finally leave this prison?
- Am I ready to leave the nest, and make my own decisions?
- Am I ready to make money, and run my own business?
- Am I ready to recognize my faults, and ask for forgiveness?
- Am I too young in age, to try and fall in love?
- Am I too ignorant to know, my help comes from above?
- Am I ready to get married, and make that extra big step?
- Am I ready to find a wife, who will give me support and help?
- Am I ready to prosper, am I really ready to shine?
- Am I ready to have success, before its my time?
- Am I ready to have more kids, the thought of it makes me laugh!
because I dont have money, to take care of the ones I have.
- Am I too good to give thanks, to my Almighty God?
- Am I ready to speak to people, or is that not my job?
- Am I ready to make it out on top, and make alot of money?
- Am I ready to flip people off, who thought prison life is funny?
- Is it just me or is it too good to dream and fantasize?
- Can I acheive my goals, but how fortunate am I?
