Well, heres my first drawing in Pen. Its a lot more difficult than drawing in pencil. Its the shading which makes it harder & much more time consuming. I'm working on a few others that I'll have up shortly. I'm also in the middle of a painting thats driving me insane.

On the day to day to life, things are at the height of exciting... The prison is doing a fundraiser for injured animals by selling us pizza from little ^{Caesars} ~~Caesars~~. — What ~~is~~! Look out now. 2013 is starting off in peak form. I can barely contain myself. 😊 Just playin. It is cool though & I am looking forward to pizza day. A lot.

I still cant believe its already 2013. Last year blew by & hopefully this one does as well. If I stay out of trouble, I'll be headed to a medium security prison towards the end of this year. Just a bit more freedom.

Anyway, I've got to get this in the mail so this is it for today. Good day to you,
