Well, that was shorter than the Gulf War! Please note my new, forenoted address. I'm now back in the joint that originally sent me to Boscobel in 2001. WSPF's Cpt. Mason told me I was being moved to a new cell on 4 Jan. When I got there, I asked for my property, & a squad of guards appeared & said one, "You're going to Waupun, we're sick of your shit." Kicked out of a supercriminal!

I smiled, laughed, cussed 'em all out, & a couple hours later, I'm here.

This place is a dump: cold (walls ain't insulated), linens raggy/patched, the prisoners (a tolerable term Nicki) are inmates (a derogatory term Nicki - means losers, good slaves, incompetents, followers...), crazy (one smears shit, another's been here for 10+ years threatening to "cut yo' head off!"), & the local lames have wasted no time in rejected me from their popularity contest. C'est la vie.

F.Y.I., the ph.# for this place is (920)324-5571. Any questions or concerns about me may be asked of my warden here, Michael Thurmer.

Still haven't received any of my property. Did receive 10 envelopes & 50 sheets of typing paper. Thanks for that, whoever ordered it for me.

Sorry, rushing to get this done & to Sean, have an inmate trying to tell me why I'm a snitch & a homo.... The wanna-be White dude, who first called me "brother" about 100 times, now has joined the dark side (he was always on it), after I told him I don't have anything to do with his sheisty "brother," a self-made White Nationalist, who is a dope-fiend with zero morals, loyalty, or desire to improve himself or his kin. The Blacks & Latinos are just as degenerate, literally tear their own people down (& do their best to tear anyone they envy down), while blaming "honkies."

Well, everyone has sinned & fallen short of the glory of me. 😊 L.O.L.

This is a major reason many in the public tolerate the atrocious conditions in prison. How can you empathize with guys like these? I barely can!

A guy went from calling me a pedophile to saying my dad molested me. False, yet offensive. Another's yelling - with staff two cells away - I'm in the "Aryan Brotherhood" Also false. A third idiot's methodically explaining why my non-existent notions of white supremacy (in some individuals, in some ways, sure - but not in all ways & all whites) are flawed, very irrationally & insultingly.

Ah, well, still filing complaints & will sue to try & improve the ghetto that these inmates have helped make & tolerate.

Take care all of you. Seriously. Thanks for your ongoing interest & any support.
