

"COOL FEMALE GUARD" FIRED.

I HAVE BEEN AT CMC FOR 4 YRS IN MARCH. THIS WHOLE TIME IVE BEEN HERE IVE ONLY TALKED TO 1 COOL GUARD. HER NAME WAS LETS CALL HER C/O DOR... SHE WAS VERY RESPECTFUL ALWAYS HELPFUL. SHE DID HER JOB BUT WAS FAIR TO ALL INMATES. SHE LAUGHED OUTLOUD AND WAS HAPPY DAILY. SHE WAS CONSIDERED AN INMATE LOVER BY HER PEERS. HER FELLOW STAFF NEVER AGREED WITH HOW SHE TREATED US LIKE PEOPLE NOT CATTLE. WORD HAS IT THEY FIRED HER OVER SOME BULL SHIT THAT SHE MOST LIKELY DIDNT DO. IM SURE THE SHITCALLERS PEOPLE LIKE A CT OR A WARDEN MADE HER THE FALL GUY FOR SOMEONE ELSE'S MISTAKE.

I JUST WANTED TO WRITE AND SAY THAT SHE WAS COOL TO ME. SHE TREATED ME KIND AND FOR THAT ILL MISS HER. IF ALL THE GUARDS WERE LIKE HER PRISON WOULDNT BE SO FUCKED UP. SEE THE STAFF CHOOSE TO MAKE ALL OF US MISERABLE. THEY WANT US TO DO HARD TIME. HERE IS THE THING. THE JUDGE WHO SENTENCED US TO PRISON PUNISHED US. THE GUARDS ARE NOT SAPOSE TO PUNISH US THEY ARE HERE TO GUARD/COUNT US THATS IT. THEY THINK THEY ARE COPS BUT THEY AINT. THEY GOT IT IN THEIR THICK HEADS TO TRY AND FUCK WITH US.

THEY USE THE POWER OF THE STATE BEHIND THEM TO MAKE LIFE HERE HARD TO LIVE. THEY COME IN OUR CELLS TAKE SHIT. DISRESPECT OUR CELLS. ITS ALL NOT COOL. THEY THINK ITS FUNNY. I JUST WANTED TO WRITE AND SAY THAT IN THE 20 YRS IVE BEEN DOWN SHE WAS THE ONLY COOL GUARD I HAVE EVER SPOKEN TO. I TRY TO NEVER SPEAK TO STAFF. I FEEL THAT ~~IVE~~ IM BEING HELD HOSTAGE BY THEM SO WHY TALK TO YOUR CAPTURES - THIS COUNTRY IS NOT WHAT IT USE TO BE. THEY CALL IT THE LAND OF THE FREE

Today is January 24th 2013 ✓ this was about 1 month ago I had groin surgery so a few days back in walking to pill line to get my meds. There is a area in this dorm called the Plaza well I'm walking in the Plaza and the guards yell to get down its a alarm well this guard tells me to Prown out on the ground. I explain about my groin surgery so he lets me lay on my side on the ground. While this is happening some other guard yells from half way across the Plaza hey you Prown out on your stomache. Well he runs over to me being a Bully saying when there is a alarm and the gun tower says to Prown out you better do so etc. I explain Respectfully that I had surgery this month + the other guard who was still standing right there listening to all of this told me I could lay on my side. This ass hole guard tells me I pay for your medical you do as I say or get a write up. Well while this Big mouth is talking shit to me the alarm shuts off it was a false alarm. I get up and as I walk off I say what ever ass hole. This Dick head guard dont say anything. I then go get my meds and on my way back he is laying down wait for me. He pulls me over tells me Put your hands on the wall. I Tell him ok but dont touch my groin Period I just had surgery. He is all Bull Hurt says to me you will get me a write up im going to write you up. You better Prown out when they the guards tell you to.

I said look dude the other guard allowed me to lay on my side and yes you are a ass hole i said it and i meant it. He put hand cuffs on me and put me in a stand up 1 man cage like a Phone Booth. Picture this its like 7:30 AM when he puts me in the cage. He leaves me in the cage for about 1 HR and it was cold very cold out there. Finally this some ass guard comes to the cage and says Trinity what the fuck is your problem do you want to go to the Hole. I say look you guys in this Plaza are a bunch of Purrys and if you dont let it go get my jump suit and take me to the Hole. I was mad as hell. I just had given surgery still bleeding/Puss and i tell him no but he just wants to be a Bully. He couldnt believe that i called them guards who work in the Plaza Purrys. Here is what this Purry did to me. He said i understond what your going through but you need to understnd my Point of view. I just looked at him and said no more. He took the cuffs off i went about my way. There are just some of the movies they Pull. They are Bullies. Im smart enough to know this but i just had surgery so i wont lay out like that on the cold ass cement. See every time something happens in the courts that helps a Prisoner all the guards start acting like ass holes towards us. Ill explain what really just come down from the courts

To make a long story short the Prison System in California has a overcrowding Problem. The medical treatment we get is so bad that 1 inmate dies every day due to it. So a inmate filed a law suit demanding to fix the medical and fix the overcrowding Problem. Well the Federal judges 3 Panel judges made a order that the Governor of California Jerry Brown to release prisoners till the amount of inmates is where its suppose to be. The order says California Dept of Corrections has till June 27th 2013 to get its Prison Population down to i think its ~~100,000~~ 110,000 inmates or the Feds will come in and take over all of the Prisons and they will release the inmates. They will also change the amount of time we get for all crimes. So we want the Feds to come in and take over. The Governor Jerry Brown was on TV a few days back he said he will not release any inmates out period no matter what the Fed judges order says. Here is the thing the Feds over Rule the state so we cant wait to see what happens. I will keep everyone posted on what happens.

Lets Pray
the Feds
Step in
