Hello I receive your comment. 5'6" 125-130
Petite I'm feel and like that. I would like nothing
more than to get to know you if possible. You say you
can write to me I'll be looking & waiting. I been on lock
a minute and it has shaped & sharpened the man I am
today. My priorities or will in order can separate needs
from my wants have no insecurities feel free ask
anything. I'm balanced in who I am I had to raised
the bar my expectation or greater of myself and those
I revoke myself around. So yes I am a very intelligent
man. But I will say I haven't always been ~~like~~ like
these the seed was there but a lot of confusion and madness
mixed in made it hard. Kayla it's a awesome feeling been
able to meet and get to know another person. Maybe in time
we can get to know each other on a level were both cool
with. Wisdom provides to make life entirely happy
much of the greatest is the possession of friendship. Kayla
I believe there lies a purpose in every encounter we have in
life. It's a meaning of strengthening our character and consoli-
dating all our desires gained thru living. Which explains
the depth of our experience. I know you may have
been victimized by so mean words and not enough
action. I'm hear to disconnect myself from the one's
that talk but don't walk the walk. I keep my walking
shoes on please join me. Kayla I'm not here to
exploit you. I'm here to explore you with the intent

of getting to know you. I don't indulge in mind games or fabrication under no circumstances nor the sorry guy to judge a person. I'll close these by saying these

One of the most important aspects of life is being contributor to society and I don't mean that you have to have a great invention or the next billion dollar idea as long as it help make a chance

Take care
