Nicki The time that I've wasted is my biggest regret
Spent in these place I will never forget.
Just sitting and thinking about the things I've done
The crying, the laughing, the hurt. and the fun

Now it's just me and my hard driven guilt
Behind a wall of emptiness I allowed to be built.
I'm trapped in my body, just wanting to run.
Back to my youth with its laughter and fun.

But the Chase is over and there's no place to hide
Everything is gone, including my pride.
With reality right in my face
I'm scared, alone and stuck in this place.

Now memories of the past flash through my mind
And the pain is obvious by the tears I shed.
I ask myself why and where I went wrong,
Guess I was weak when I should been strong

It's time I change and get on with my life
Fulfilling my dreams for a family and wife,
What my future will hold I really don't know
But the years I've wasted are starting to show

I just live for the day when I'll get a new start
And the dreams I still hold deep in my heart

I hope I can make it I at least have to try
Because I'm heading toward death, and I don't want
to die

These is what push me to want better for my
self and move above and beyond the life I once
lived.

Take Care
