

## Communication

In interchanging of thoughts or opinions through shared symbols. One must know and not be subjective to the rule's and control of another. Thoughts or opinions freed from hypocrisy or pretense are worthy of acceptance because of accuracy, and they are exactly as appeared and is claimed. Seeking to obtain by sly and indirect means only make things ambiguous. It shows irresolution and uncertainty. Do not offer of something false as real or true. Show uprightness as evidence's in character and actions. Do not anticipate in the mind that one knows what is say. Be understanding and patient, remove all that do not apply or that is pertinent. Emotional responses and view of right and true will be present. But one can not deplete the soundness, strength, effectiveness or perfection of somethings. Being unlearned, unaware, or uninformed can hurt a person or shatter their delusion, but Contemplation at the highest end or the truth should never hurt. One who is in a state of mind in which one is free from doubt, do they supply you with spiritual or intellectual light of their thoughts or opinions. Enchancing the states of things tending to dissipate ignorance, while increasing knowledge and awareness. Respect, what is said and perceive by ear usually with careful and responsive attention. When one listen it will be marked by realization, perception, and knowledge often of something not generally realized, perceived or known. It is the only way understanding can be reach. Respond back; having power and conditions of actions without compulsion. There must be a listener and a speaker. Compensate and examine side by side, point by point in order to establish likenesses and differences. A settlement reach by mutual concession is when nobody

really get what they want when one realize the whole is greater than the sum of it parts. Effectiveness have been met. Communication with 100% fairness, integrity, honesty, human dignity, service, quality or excellence and potential. One can meet each person principle's.
