

Beyond Words

What words could convey what's in my heart? My mind makes attempts, but where do I start?

A single thought of you thrills me with delight and I cherish the memory with all my might.

If words could explain how I feel about you, I would have to talk forever and even that could never do.

A heart so full of love is difficult to express. I'll spend the rest of my life doing my best to show you, and tell you, and withstand the greatest tests.

To love you, to honor you, and cherish you, too. Keeping you happy and above all, secure.

Feel my vibes; let me enter your mind, touch your soul and unite our spirits in the oneness of eternity that goes beyond words
