

Do what thy wilt shall be the whole of the Law.

Every man and every woman is a star.

Pax Vobiscum,

In this up-date I'd like to share a few of my poems with everyone and speak on some rather depressing and unjust acts that were enacted upon myself a couple of weeks ago.

On the morning of 1/9/2013 I was attending the Wiccan service here at Marion Corr. Inst.; these are held every Wednesday morning at 8⁴⁵ AM until 10⁴⁵ AM; well on the (9th) at approximately 9:30^{AM} three officers came into the chaplaincy services and carried me out into the hallway, then ordered me to face the wall and submit to the cuffs. I was then escorted to the segregation unit and placed in segregation (lock-up) pending investigation. Not once was I informed as to why I was being locked up. In this event I lost my top pay job of \$7.00 a week 😊; My visit was cancelled; I wasn't able to call my baby girl whom was expecting my call later that evening, and my personal belongings were literally desecrated by the officers. "That's prison for par."

Well I sat in segregation from 9:30^{AM} 1/9/2013 until 6:40 pm 1/16/2013 and never heard one word as to why I was locked up - until (2) hours before they decided to let me out. Their story was - Someone had informed them that I had approached this specific inmate and

that I threatened to do him bodily harm. (Pure BS)! Anyhow, after (3) interviews with this inmate and others in the dorm I had been staying in the Unit Manager decided to release me because no one would corroborate the story and the inmate I had been accused of threatening refused to write a statement. So. I was released; no apologies, no job reinstatement - Nothing! Basically they let me know that they can do whatever they choose to do because of my past record in here. I admit that it hasn't been nice and I do realize that because of this I am constantly under close observation; I have been red-flagged (S.T.I.) Security Threat Individual; all because I was engaged in a fight with a pedophile and he ended up dead. However, since 2004 I have been virtually infraction free; (*No violent charges at all!*) One write for going to service and missing work duty; but for me - Religious practices come first and foremost.

I was finally able to call my daughter and speak with her, and all three of my grandbabies - Sam, Siara, and Serenity! 😊 They are so Awesome! I am so fortunate, even being incarcerated all these years, the Universe has bestowed upon me great things and I am truly
