

# Crunch Time

Pg 10F1

Andy and All Reading Eyes,

I'll be getting out in the next year and after ten going on eleven years of being in prison... Its a relief to know its almost over.

I also know its "Crunch Time". A new phase of my life is about to begin and I know I cant do it alone. IF your feeling this and can help me find:

Mentors -

Support System -

Employment -

Job training skills -

"Please" contact me with information or link my information to blogs or services that can assist my efforts. I thank you in advance for your thoughtfulness and help in this endeavor. — take care out there and contact me at:
