Daniel Gwynn

Gigi,

Thank you for hearing my voice and understanding where I'm coming from. We do need to get the true spirit of the holidays back. Finding that spirit has helped me cope with my isolation. Healing the world should be our mission in life, because we're getting to far off the mark. Lately, there's been a rash of school shootings. What purpose does shooting up a school serve!!! It's vital we protect our existence, so rekindling the spirit of the holidays is a good place to start!!!!!!
