Dear Voice12,

Thank you for taking intrest in my experience(s) of Incarceration.

Everyday of my incarceration there's the possibility of me experiencing a horrendous violation of human life, care, and Saftey at the hands of Correctional Officers.

Yes were Incarcerated due to our crimes that were committed be each of us, but we also are still human beings, and protected by The Constitution of the United States of America.

I am always open and willing to converse and communicate about these conditions, and any other that I have knowledge of, so please do feel free to contact me personally for more.

Thanks

Kirk Stevenson
