"The SEVEN shades of wisdom"

- 1) He who knows Not AND strives to know is A SEEKER.
Aid Him!...
- 2) He who knows Not what He should know is A
WONDER, ... guide Him!...
- 3) He who knows Not THAT He should know is
ASLEEP, ... WAKE Him!...
- 4) He who knows Not AND fears to know is
ENSLAVED, ... FREE Him!...
- 5) He who knows Not, AND Rejects to know is
DEAD, ... PASS Him!...
- 6) He who knows Not, AND Claims to know is
AN IMPOSTER, ... show Him!...
- 7) He who knows AND shares what He knows is
WISE, ... Heed Him!...

last note to you all! ...

THE CAKE DOESN'T MAKE THE CRUMBS, THE
CRUMBS MAKE THE CAKE. OUR LIVES ARE WHAT WE
MAKE OF THEM NOT SOMEONE ELSE! ... ALLAH'S GIFT
TO US WAS / IS LIFE WHAT IS YOUR / OUR GIFT
TO ALLAH !!??!!

My Question!

Which out of 1-7 do you consider your-
selves most to be like (eg. The seeker or the aid -
The wonder or the guide - The sleeper ^{OR} The awakener
- The enslaved or the free'er - The deed or the
passer - The Imposter or the shower - The wise
or Heeder !?!?)

Personally I could attest to being in the skin
of them all from time to time both as a youth
and an adult... I mean lets be honest who
can really - really sit or even stand and claim
to know it all - share it all - not have fears and
so on !?! we humans so we should always strive -
seek and share - just the same at some point or
another our fears lead us to reject things - claim
to know shit we dont know or simply choose
not to be guided... But only a true man or
woman will face his fears - free himself
and wake up to truths!! I did - I do - I
will.....
