Hi !...

Luv the name !! But you CANT REALLY BE A MONSTER - if you're A MONSTER THEN I'm the "BOOGIE MAN" !!

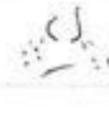

I would like to THANK you for TRANSCRIBING my post. This outlet is all some of us got so it MEANS ALOT TO ME !! Thank you 1,000 times!!

With regards to "Forest gump" the movie, it's BEEN EONS SINCE I'VE SEEN it so my memory is VAGUE But I'm sure the part you spoke of is worthy of Notice !!

Here in the wis. Doc we only get movies that are PG13 or done by WARNER BROS and PARAMOUNT PICS. So we're limited HOWEVER we do get good ONCE/ONES from time to time.

Notably it's FEB so the Institute felt it a good idea to show us "Roots" by Alex HALEY for Black History Month..... Personally I kinda felt insulted due to the fact that I'm AFRO-AMERICAN every day-month and year I'm ALIVE so the CELEBRATION and ACKNOWLEDGEMENT

Should (Be) everyday year and month just as it (should be) for EVERY ethnicity or ethnicall group in my personal opinion I think/feel that Black History Month is one tool too many to keep racism alive in the hearts and minds of many people!

Here in prison - you'll find guys who'll get so pro-Black during FEB that it's a tension in the air so thick between staff - other ethnicities and the self proclaim pro-Blacks that you could cut it with a knife!! its sad  Instead of looking for the beauty and prosperity of being Afro-American many will use times of slavery and 100s of years of the past to harvest and display hate and anger!... Not me... I got bigger fish to fry!!

P.S. ! please let me know how you feel about Black History Month and or what I've said above.....
