

My Choice

I Can Marry Who I Want to
 Shouldn't Even Concern You
 Not Your Place to Say
 How Can You Weigh in, You Not Even Gay
 LAWS ARE CHANGING!
 Beliefs REARRANGING!
 Don't be Scared it's not New
 Two men in love, Say "I Do"
 Hate is Honest, Love is Work
 Think As you Please, but Don't be a Jerk
 In your eye's its just not right
 But as long as there's a breath in me, I'll fight
 What passions Surprized you?
 What feelings Compromised you?
 Are you angry because you think I'm pretty
 Or are you Scared to come out little boy, what a pity
 I CAN MARRY WHO I WANT TO
 DAMN RIGHT! It Doesn't Concern You
 Its Not Your Place to Say
 How Can You Weigh in...
 ... unless your Gay!
