At fist, I was going to name this Blog Post "Explanation." but then I came to my Senses and realized I Don't owe one.

When I wrote this poem "My Choice" in 09' I really didn't know just how powerful it really was. I was writing a friend in England who had just unmarried his partner. They were Greeted by many Antagonist who hailed, Slander, and many Type's of Hate Speech when they left from their ceremony. Why? BECAUSE TWO MEN in love just want to express their love like normal people do.

WHOA! Did I just say that word?

NORMAL!

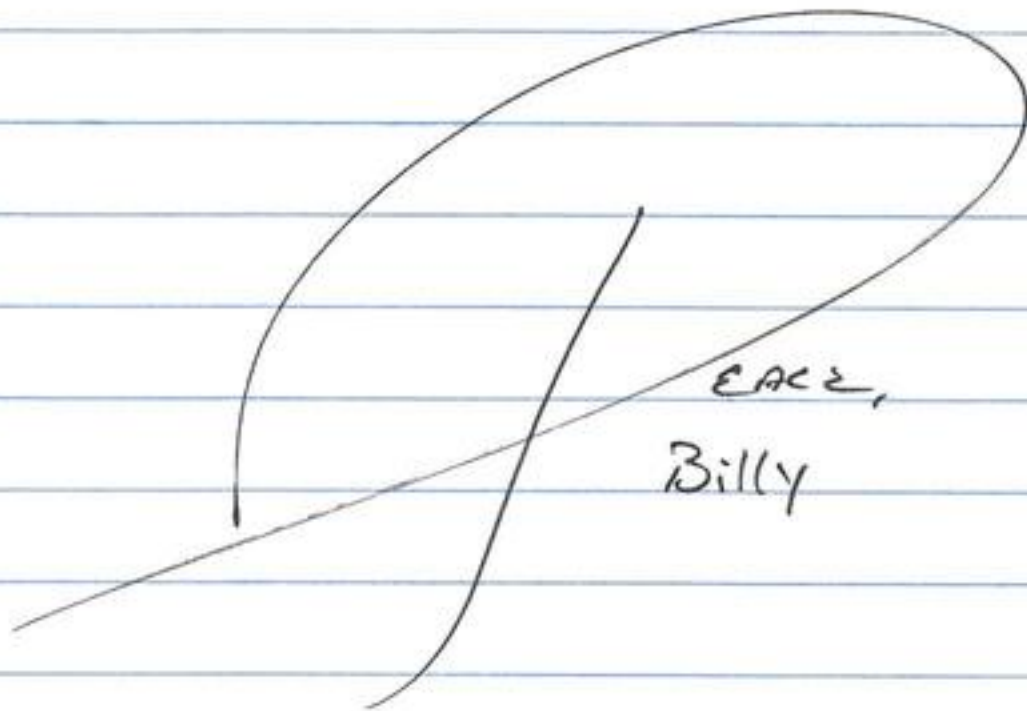

Let me answer that for my self. I will try not to be crude. I've been married, and in many subsequent Hetrosexual relationships just to prove I wasn't Gay or hiding the fact that I was Gay. This goes all the way back when I was 12 year's old. Those relationship's as far as the Bedroom weren't normal, to me! Not one ever felt like it was right, normal, and I'll even say a God given GIFT.

I'm truly Sorry for the many lives I've ruined due to this fear I let cripple me. I just pray, im one day able to help someone younger than I with this same fear and let Him know that what he or she truly feels, is not wrong. by this, It Doesn't just Save his life, but the lives

Of possibly many more. So for those who say were not normal is just wrong because what you do is not normal to me. However, I don't condemn you for it, I hope I'm able to enrich your relationship just as I hope you do mine.

Any way, Chris and Edward are still married, and I wish them all the happiness God has given them!

End
