*The Novelist Portent*

**TRIAL UPDATE!**

The trial set for February 26th at 9:30 a.m., has now been set to be rescheduled due to the granting of a continuance.

I have no idea of when it will be, yet. But when I do, I'll post it as soon as possible. If any of you went to the court house (I'm sure you'll read this after-the-fact), then I apologize and hope you'll attend at the rescheduled time.
