

## "Blackness"

Blackness is how we were born.  
So mankind let's not be torn.  
Blackness will stand the test of time.  
and, it don't cost a dime.  
Blackness will set us free.  
even when it's hard to see.  
Blackness is something I love.  
because it's beautiful like a Dove.  
Blackness is very sweet.  
everytime "you" and "I" meet.  
Blackness is so real.  
but, it comes with a seal.  
Blackness want never bend.  
Always remember there's no end.
